# TECNODECK® CABANAS

WITH PIVOTING LOUVERS SYSTEM

Photos of Viceroy Palm Jumeirah Dubai by courtesy of Five Holdings

Tecnodeck® Cabanas with pivoting louvers system are composed by modular panels with adjustable sunscreen Tecnodeck® 85x30 mm.

The pivoting system, allows the manually random movement of the profiles and uses a very simple and affordable fixing system, made from UV resistant composite material.

As in all Tecnodeck® profiles, also the Tecnodeck® CABANAS are maintenance free.
